**10:00 a.m. Tour of JA Air Center / Aurora Airport, Sugar Grove, IL**  
**Catered Lunch / Classic Automobiles and Classic Airplanes**

On Saturday morning, fly or drive to the Aurora Airport. Tour the JA Air Center where you will be welcomed into their beautiful main lobby. We will have a chance to see their engineering and overhaul shops and some of the airplanes that make their home at this facility. Members of their staff will be available to tell us about many services they provide for air travelers and aircraft owners. Weather permitting, we'll be able to observe some "take-offs" and "landings" coming into the Airport. Several airport hangars will be open for our viewing. And under the JA Canopy, there will be a display of classic automobiles and aircraft from several private collections, some you have never seen, all with a story to tell, and a piece of history to share. A catered lunch and refreshments will be served. If you drive your classic car to this event, or fly your special airplane, we will have a display area in front of the JA building designated for you. Dress comfortable and include good walking shoes. Young adults are welcome if they are at least 12 years of age and accompanied by an adult.
